PROFILE

UI/UX Designer excelling in unique user-based solutions with smooth design. Experienced in content creation, collaborating between clients and users, and crafting fantastic stylistic guidelines. Skilled in wireframing, presentation mockups, storytelling, prototyping, user personas, and style guides.

EXPERIENCE

- **Board Member: Design + Branding** 2020
Simply Circus, Newton MA
Synthesize business and customer needs to create cohesive and beautiful brand guidelines for a non-profit circus school.
 - Rebranding with a focus on user/client research and establishing style and brand guidelines
 - Communicate design choices to board members and contribute to team meetings.
- **Performing Artist, Sole Proprietor** 2013-2020
Flyin' Hawaiian Productions, Global
Running a one-woman-show (literally) that toured in 20+ countries, with a specialization in comedy and circus arts.
 - Created, tested, and performed award-winning and critically acclaimed plays, stories, and comedy
 - Managed all contracts, finances, branding, collaborations, and media for The Flyin' Hawaiian Show and other performances
 - Excelled in continuous learning to develop products
- **Artist + Instructor** 2017-2019 (seasonal)
Muse Paintbar, Somerville MA
Providing clear step-by-step painting instructions in a performative setting to give first-time artists an immersive and entertaining evening of art.
 - Design and replicate all Master Paintings
 - Breakdown and teach the painting process (acrylic)
 - Improvise, engage, and entertain parties of 10-50
